Attention All Ski/Party Enthusiast

On June 19th we held our first “Rock the Dock.” The dreary weather wasn’t all to inviting, yet we managed to get about 12 people, who got it up and came down for some food, skiing and socializing. A great thanks goes out to Kay, Tom, Dean, Mark, Megan, Mason, Bob, Garry, Geoff, and Val for helping me with the boat, driving, and clean-up. Also we enjoyed Bill from Convair ski club. We hope he comes back. Our club puts on “Rock the Dock” so our members can enjoy the social aspect as well as the skiing aspect of what our club offers. It’s a nice way to Get more acquainted with other members, share your ideas about the club, and get some ski-trick and wakeboard time in.

WE encourage everyone to enjoy this social event. This event isn’t limited to just members. You can bring your friends, co-workers, anyone who has a desire to ski, eat and enjoy our beautiful cove. We are going to change things up a bit with our “Rock the Dock” event. Instead of Thursday night we will be holding “Rock the Dock” on Sunday afternoon, starting at 2:00pm. We are hoping this time is more conducive for everyone’s schedule.

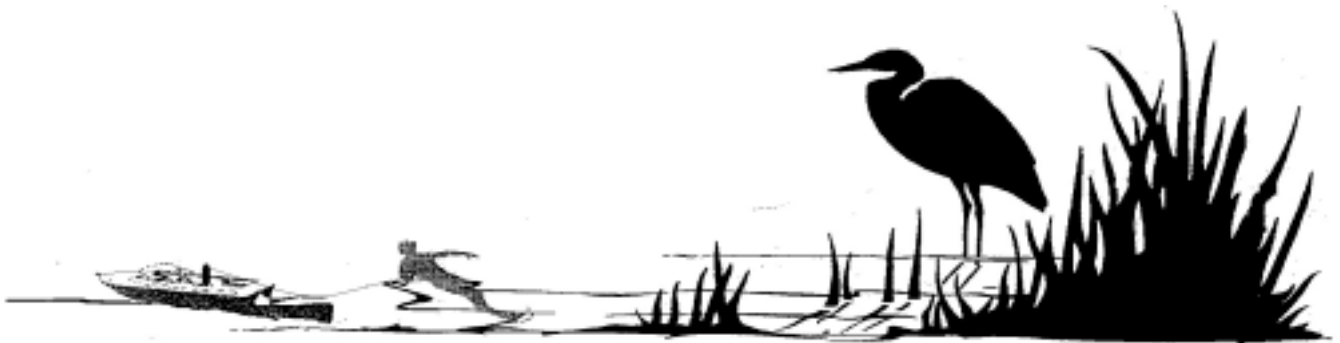

So our next “Rock the Dock” is SUNDAY --- JULY 27th-----
Starting at 12:00pm. Please come down and enjoy a barbeque dinner,
Games, skiing, wakeboarding, trick, tubing, and socializing.

All you need to do is RSVP by July 25th to Connie @ cbadtriple@adelphia.net or (760) 434-1157

The cost is \$ 5.00 for members and \$10.00 non-members, kids eat free!
This covers gas and food.

PLEASE COME DOWN AND ENJOY THIS FUN AFTERNOON, FOR THESE
EVENTS ARE DEDICATED TO YOU!!!!

SKI YA LATER- Connie Morrison

AH, YES, DESERT SKIING!

Here's a real opportunity to get a whole bunch of skiing in. The trip on July 9th and 10th is still looking for skiers. It looks like it will be a small group. So if you want to get a lotta reps in this might be the trip to make that happen. Look at your calendars and see if you can fit in a day or two. This will be a great ski week for all that can get away. Let me know if you want to get in on the fun.

Our trip schedule is listed below.

June's extemporaneous dock work party went very well. Dean Cherry hustled together five "volunteers" and in a couple of hours, we were able to reconfigure some of the floats, add some new rubber dock bumpers, reinforce the dock ladder and add two new tie-down cleats.

Steve Ricker provided the transportation for the tools, materials and compressor to and from the beach. Larry Parker, Dean and Jeff Hintz worked the float, ladder and cleat detail, while I replaced the worn out rubber bumpers.

Dean was observed swimming under the dock this week securing a unruly float.
